The GRADUATE SCHOOL at the UNIVERSITY OF MIAMI

PROFESSIONAL DEVELOPMENT AND CAREER EXPLORATION
The Graduate School's Professional Development Calendar serves as a resource guide for graduate students of all levels. The calendar features programs and events designed to expand upon the core competencies and skills of graduate students for academic success in preparation for careers after graduation. We welcome all graduate students to take part in the vast range of seminars, panel discussions, workshops, trainings, and recreational events. Professional development is not limited to one workshop or course, so check the calendar often as events are added throughout the year at grad.miami.edu.

DISSERTATION WRITING AND THESIS SUPPORT
The Dissertation Writing Group (DWG) meets weekly to provide doctoral students with an expanded network of support to encourage completion of the dissertation writing process. The Dissertation Writing Retreat (DWR) is a three-day intensive writing workshop dedicated to meeting short term productivity and writing goals. Flash Writing Fridays (FWF) are held monthly to encourage graduate students to commit time to working on a dissertation, publication or other research writing project. Doctoral students in candidacy are invited to apply.

GRADUATE SCHOOL TROUBLESHOOTER
Troubleshooters are faculty members and administrators who serve as a resource for students seeking assistance with academic and non-academic matters. For a complete list of Troubleshooters go to miami.edu/ombudsperson. Graduate students who would like guidance can contact the Graduate School Troubleshooter, Dr. Koren A. Bedeau at k.bedeau@miami.edu

STAY IN THE LOOP
Look out for GradNewsNotes and our quarterly e-newsletter, GradWire for more information on events, opportunities, and updates that may be of interest to you.
WHAT WE DO

FORMATTING REVIEW FOR DISSERTATIONS AND THESES
From margins to front type to organization and more, our Dissertation Editor is here to help you keep your manuscript in line with scholarly standards and shepherd you through the ETD process. Be sure to contact the Dissertation Editor early in the semester you wish to graduate. Visit our ETD page at miami.edu/etd or e-mail the Dissertation Editor at grad.dissertation@miami.edu.

GET CREDIT FOR STUDENT HEALTH INSURANCE
Eligible RAs, TAs, Gas. Fellows, and Trainees enrolled in Ph.D., D.M.A. and M.F.A. programs can get 80% credit toward the annual cost of their student health insurance plan. Learn more at grad.miami.edu

GRADUATE CLEARANCE
If you have a problem registering, give us a call. We'll investigate the issue and help guide you through the process. Contact Graduate Clearance at gradclearance@miami.edu
