New Degree Request Form

We will need the following information in order to create a degree code:

1) What career is this new degree for, Undergraduate, Graduate, Law, or Medical?

2) School/College (Program):

3) Code Identifier (max of 5 positions):

4) Code description – regular (max 30 characters):

5) Code description – formal (max 50 characters):

6) Number of credits:

7) Have you received the following approvals (if relevant):
   - If this is a new academic program, do you have approval from the Faculty Senate?
   - If this is a new graduate program, do you have approval from the Graduate School (prior to Senate approval)?
   - If this program is offered off-campus or online, have you notified the Office of Assessment and Accreditation?

If you have any questions, please do not hesitate to contact me at X-6613
